

**CANDIDATE FOR CITY COUNCIL MEMBER
CITY OF TWENTYNINE PALMS**

NAME: DAWN BENTON JR.

AGE: 51

OCCUPATION: Incumbent

As a member of the Twentynine Palms City Council I have worked hard to ensure the prosperity of our community. If elected I would continue to nurture the development of our city while promoting the values of those whom I would represent. I believe that growth in Twentynine Palms can happen without compromising the ideals that make it such a great place to live. Developers need to be held to the guidelines of the General Plan and contribute to the infrastructure of our city. Under my leadership Twentynine Palms would continue to foster the uniqueness that has developed since our incorporation while striving to provide the conveniences expected of a growing city in southern California.
